EVENT VENUES

Experience Yosemite

Yosemite's landscapes are legendary, and our venues let you immerse in them fully. Whether you're saying 'I do', connecting with colleagues, or relaxing with a team retreat, you'll find the right space here. It's all about simplicity and proximity to nature, ensuring your event is grounded in the serenity and beauty that only Yosemite can offer.

Our Story

Our journey started with a small 12-room motel in the 1970s, and over the years, we've grown into the Yosemite Resorts you see today. Our family has held onto a singular vision: to create a place where guests can truly connect with Yosemite's natural surroundings.

Every season transforms the park — the autumn leaves, winter's snow, and summer's lushness all contribute to Yosemite's year-round appeal. We're here for all seasons and all reasons, offering a slice of this timeless natural beauty to each visitor.

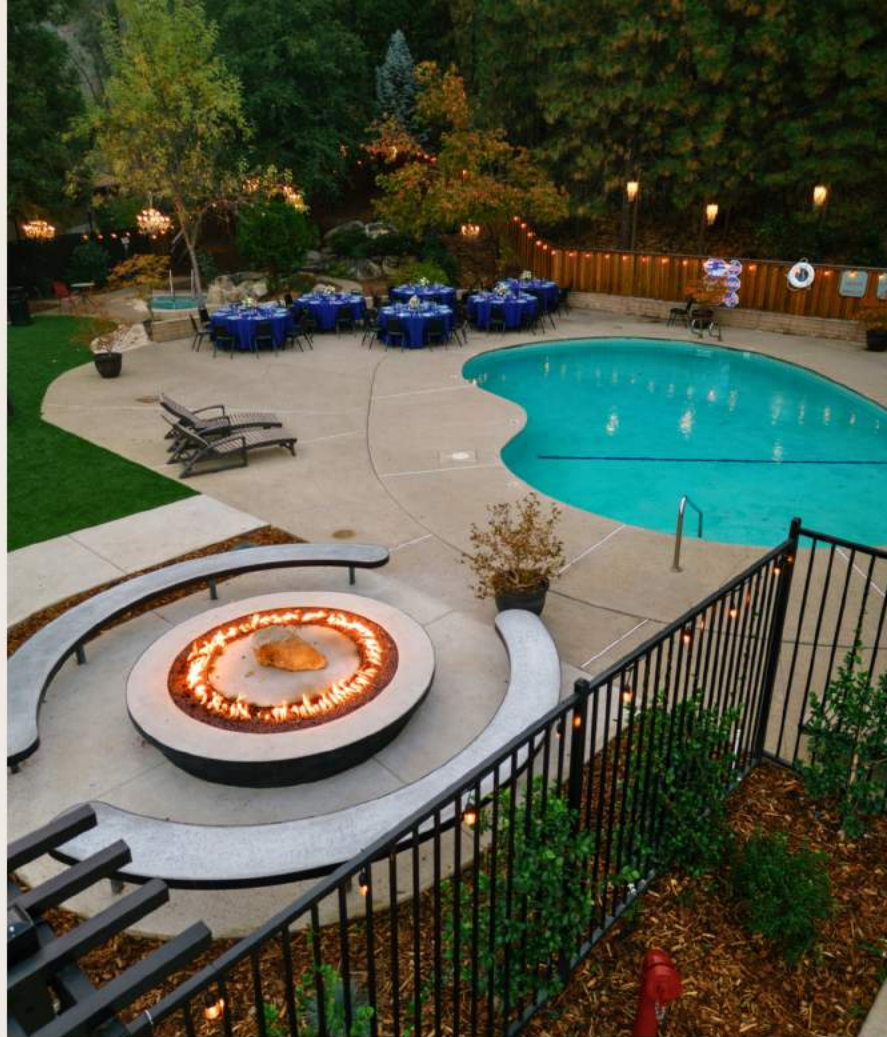

Easy Access to Nature's Wonders

Just beyond the gates of Yosemite National Park,, our venues are here to welcome you.

Whether you're driving:

- 6 hours from Los Angeles,
- 4 hours from the Bay Area, or
- 2 hours from Fresno

You're on your way to creating lasting memories in the great outdoors. Join us at Yosemite Resorts, where every visit is a return to nature.
